If the event is contested on a half-mile pari-mutuel track and 10 or more horses declare into race, that race will be raced in divisions with each division racing for an equal share of the purse. MHHA reserves the right to consolidate divisions to create full pari-mutuel wagering fields. In the event of a consolidation colts and fillies will race together as one division. All colts entering to race on the live betting card at a pari-mutuel track must have a current charted line within 45 days AT TIME OF ENTRY Races scheduled at a pari-mutuel track may be raced as betting or non-betting races at the discretion of the host track. In the event a race is non-betting or raced on a date when the pari-mutuel track is not hosting a live betting card race date - the 45 day charted line rule will be waived. The MHHA recommends all horses have a 45-day charted line to prevent scratches.
