("Society"), the Owner of the nominated Horse which has been paid in to the Race as of February 15 in the year of the Race hereby grants to the Society, its representatives, employees and agents, including a licensed veterinarian designated by the Society, and assigns the absolute right and authority to:

- 1.) Conduct one or more physical examinations of the Horse at any time prior to the Race, regardless of where it is stabled;
- 2.) Draw blood and other specimens one or more times from the Horse for immediate testing;

3.) Freeze or otherwise preserve split-samples of the specimens for future testing and send such samples to a laboratory designated by the Society and;

4.) Require, at the sole discretion of the Society, the Horse to stable on the grounds of the Track where the Race is being contested or other designated premises for a reasonable period of time prior to the Race which will be specified by the Society.

After declaration and until the day of the Race, the detection in the Horse of evidence of blood doping agents including, but not limited to, the following: human recombinant erythropoietin, darbepoetin, continuous erythropoietin receptor activator (CERA), Mircera®, Aranesp®, Oxyglobin®, or Hemopure®, or myo-inositol-trispyrophosphate (ITPP) shall be considered a violation of these conditions and will result in scratching or disqualification of the Horse from the Race and forfeiture by the Owner of the Entrance Fee, whether or not actually paid but which is due at the time of declaration:

Note: The Society may interpret "evidence of blood doping agents" to include elevated titers of anti-recombinant antibodies of these agents.

If such evidence is detected after the Eliminations and before the Final of the Race, this shall result in the disqualification of the Horse in the official result of the Elimination, the loss of the purse, if any, and the immediate return of any forfeited purse funds to the Society for redistribution and the Horse will not be allowed to start in the Final. If the evidence is detected after the Final of the Race but prior to the distribution of the purse of the Final, this shall be considered a violation of these conditions and will result in the disqualification of the Horse in the official results of the Elimination and the Final, the loss of the purse, if any, and the immediate return of any forfeited purse funds earned in the Elimination to the Society for redistribution.

In the event of a post-Race disqualification and redistribution

of purse funds paid out, the Owner also agrees to indemnify the Society, the Track, their representatives, officers, directors, employees, and agents from any and all claims, liability, damages, expenses and attorney's fees which any of them may incur in attempting to recover the funds from the Owner, trainer and driver and to redistribute said funds. Racing Conditions For The Hambletonian (Open) and The Hambletonian Oaks:

Both the Open and Oaks will be raced under the following conditions:

- 1.) **Distance.** All races to be contested at one mile.
- 2.) **Draw.** Post positions for all eliminations races will be determined by an open draw. Elimination winners will draw for post positions number one through five in the final. All other finalists will be placed in an open draw for the remaining post positions.
- 3.) **Single Dash.** If 13 or fewer horses are declared to start, the race will be run as a single dash with up to three (3) trailing horse(s) in a second tier and no elimination races are required. If 14 or more horses are declared to start, the race will be run with elimination heats. Post positions for the eliminations will be determined by an open draw.
- 4.) **Elimination Plans -- Heats in the Same Day or in the Previous Week:** Elimination heats for the Open, if necessary, will be raced the same day as the Final, or in the previous week as determined by the Society. That format will be announced by the Society prior to the February 15th 3-year-old payment. The winner of the Final will be the winner of the Race, regardless of where the horse finished in their elimination. Elimination heats for the Oaks, if necessary, may be raced the same day as the Final, or may be scheduled the prior week.

With the intention to make fields of equal caliber, eliminations will be seeded by a predetermined formula based on money earnings, as well as the rules of the New Jersey Racing Commission regarding the separation of common ownership and trainer interests; the precise procedure to be determined and published by the Society.

- 4a.) If more than 13, but not more than 20 horses are declared to start, two (2) elimination races will be held and the first five (5) horses in the official order of finish from each race will return providing ten (10) horses for the Final. In the event of a dead heat for a last position to qualify or advance to the Final, a fifth place horse that was not in a dead heat, will have preference over any fifth place horse finishing in the dead heat.
- 4b.) If more than 20, but not more than 30 horses are declared to start, three (3) elimination races will be held and, if there are no dead heats for the last qualifying positions, the first three (3) horses in the official order of finish from each race will return for the Final, plus the one (1) horse finishing fourth with the highest lifetime earnings, to provide ten (10) horses for the Final. In the event of a dead-heat for third in one or more of these three (3) elimination races, the dead-heat horses with the highest lifetime earnings would advance to the Final. As above, third place horse(s) that were not in the dead heat, will have preference over any of those third place horses in any elimination races having a dead heat(s).
- 4c.) If more than 30, but not more than 40 horses are declared to start, four (4) elimination races will be held and the first two (2) horses in the official order of finish

will return for the Final plus the two (2) horses finishing third with the highest lifetime earnings, if necessary, to provide ten (10) horses for the Final in a manner consistent with the above procedures.

- 4d.) If more than 40 horses are declared to start, eliminations will be held and ten (10) horses will return for the Final with dead-heat qualifiers advancing to the Final race based on the horse's lifetime earnings, consistent with the provisions described above.
- 4e.) If any of the designated ten (10) finalists are withdrawn from the Final and scratched by the judges, the next "Also Eligible" will take its place.
- 5.) **Also Eligibles.** In addition, two horses will be selected from those in the eliminations that do not qualify for the Final to be designated "Also Eligible" ("AE") for each Final. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse that placed highest in the official order of finish of all elimination divisions, but did not qualify for the Final; in the event horses are equal in the finish position, final preference will be determined by the highest lifetime earnings. The other horse will be the second "Also Eligible" ("AE2").
- 6.) **Breaking Ties.** If two or more horses tie (including dead-heats) for the last qualifying position or positions in the finish of any elimination race(s), thereby "qualifying" more horses than can be accommodated in a single tier (10 horses), the remaining qualifying horses to advance to the Final shall be selected based on a horse's lifetime earnings, as compiled by the U.S.T.A., including any elimination race earnings. Once the single tier has been filled, all other tied horses shall be deemed eliminated.

If there are elimination races, qualifying horses that did not finish in a dead-heat in one elimination race shall receive preference over any horses with the same official order of finish where a dead-heat resulted in another elimination race.

Finally if, and only if, tied horses have equal lifetime money earnings, preference will be determined by lot.
- 7.) **Replacing Scratched Horses.** Scratched horses in the Open and Oaks will be replaced in the following manner:
 - 7a.) If eliminations are required when heats are raced on the same day and post positions for the Final heat have not been drawn, the AE horse(s) will take its place in the normal draw. No scratched horses will be replaced after post positions have been drawn for the Final.
 - 7b.) If eliminations are required the prior week and post positions have already been drawn, the AE1 horse will assume the position on the outside of the remaining starters in the order determined in the above paragraph 4. The AE2 horse, if drawn in by a second scratched horse, will start outside the AE1 horse. No horse will be moved into the Race as a replacement after the official "scratch time" deadline for publication of the official program, unless the "also eligible" horse(s) have been published in the official program in accordance with racing commission rules.
- 8.) **Front Paddock.** At the discretion of the Society, and except where prohibited by regulatory considerations such as quarantine of foreign horses, all horses in the elimination races and/or the Final of the Open may be required to race from the front paddock of the Track.
- 9.) **Money Distribution:**
 - 9a.) Purses for the Eliminations, if necessary, will be divided 50-25-12-8-5% for the horses finishing first through fifth.
 - 9b.) If conducted in a single dash or as a Final for the Open and/or Oaks, all starters will receive purse money. The

winner of the single dash or as a Final will receive 50% of the purse for that race; one percent (1%) of the purse of that race will be paid to the owners of each finalist finishing 6th through last including horses that are declared a non-starter for pari-mutuel purposes during the Race by the judges, or those that don't finish the race. The remainder of the purse will be divided 50-24-16-10% for the horses finishing second through fifth.

- 10.) **Accidents in the Eliminations.** If, because of an accident in an elimination race, an insufficient number of horses finish the elimination and qualify for the Final, the remaining finalist(s) and "also eligible(s)" will be selected (in the preference of the highest earnings in that year as determined above) from the remaining non-offending horses in that elimination where the accident occurred.

Note: The Society, at its sole discretion, reserves the right to conduct either Race (Open or the Oaks) or both Races: at a distance of one mile or greater; in heats on the same date; or in eliminations to be held on the same date as the Final or a week previous to the Final. The Open may be conducted in a different format than the Oaks. The Society, also at its sole discretion as it determines to be in the best interests of the Race, reserves the right to amend the size of the elimination fields (to more than 10, including trailers), and the right to amend the elimination purses of either Race (Open or the Oaks) or both Races. Such a change will be announced prior to the February 15th 3YO payment.

Racing Conditions For The Hambletonian Maturity:

The Maturity will be raced under the following conditions:

- 1.) **Distance.** The race to be contested at one mile and one-eighth (1 1/8 miles).
- 2.) **Draw.** Post positions will be determined by an open draw.
- 3.) **Single Dash.** If 16 or fewer horses are declared to start, the race will be run as a single dash with up to six (6) trailing horse(s) in a second tier and no elimination races are required. If 17 or more horses are declared to start, the field will be limited to 16 horses based on the highest total money earnings in their three and four-year-old seasons as compiled by the U.S.T.A. The 4-year-old sustaining fee and supplemental fee, if any, will be refunded on all horses which are entered and meet the qualifying standards of the track but do not have sufficient earnings to qualify for the race unless the horse draws in as an "Also Eligible" in the event of a scratch.
- 4.) **Also Eligibles.** In addition, two horses will be selected from those entered that do not qualify for the Race to be designated "Also Eligible" ("AE") for each Final. The preference to determine which is the first "Also Eligible" ("AE1") shall be determined by taking the horse with the highest 3-year-old and 4-year-old total earnings. The other horse will be the second "Also Eligible" ("AE2").
- 5.) **Breaking Ties.** If two or more horses tie for the last qualifying position or positions in the race, thereby "qualifying" more than 16 horses, the final horse(s) in the field shall be determined by giving preference to the horse(s) with the highest 4-year-old earnings to make up a field of 16 horses maximum. If, and only if, tied horses also have equal 4-year-old money earnings, preference will be determined by lot.

Once the field of 16 has been filled, all other tied horses shall be deemed eliminated and their 4-year-old sustaining and supplemental fee, if any, will be refunded unless as an Also Eligible they draw in on a scratch.

- 6.) **Replacing Scratched Horses.** Scratched horses in the Maturity will be replaced in the following manner:

- 6a.) If post positions have not been drawn, the AE horse(s) will take its place in the normal draw;
- 6b.) If post positions have been drawn, the AE1 horse will assume the position on the outside of the remaining starters in the tier of the starting gate from where the horse was scratched, in the order determined in the above paragraph 5; The AE2 horse, if drawn in by a second scratched horse in the same tier as the first scratched horse, will start outside the AE1 horse. If the second scratched horse is in the other tier, the AE2 horse will assume the position on the outside of the remaining starters in that tier; No horse will be moved into the Race as a replacement after the official "scratch time" deadline for publication of the official program, unless the "also eligible" horse(s) have been published in the official program in accordance with racing commission rules.

- 7.) **Money Distribution.** All starters in the race will receive money. The winner of the Race will receive 50% of the purse; one percent (1%) of the purse will be paid to the owners of each finalists finishing 6th through last including horses that are declared a non-starter for pari-mutuel purposes during the Race by the judges or that don't finish the Race. The remainder of the purse for the Race will be divided 50-24-16-10% for the horses finishing second through fifth.
